

ALPHA WEB BANKING

PECCU

PECTEN EMPLOYEE CO-OPERATIVE CREDIT UNION

Project Name : AWB (web version)

Presented By : PECCU

Date : 28 April 2024

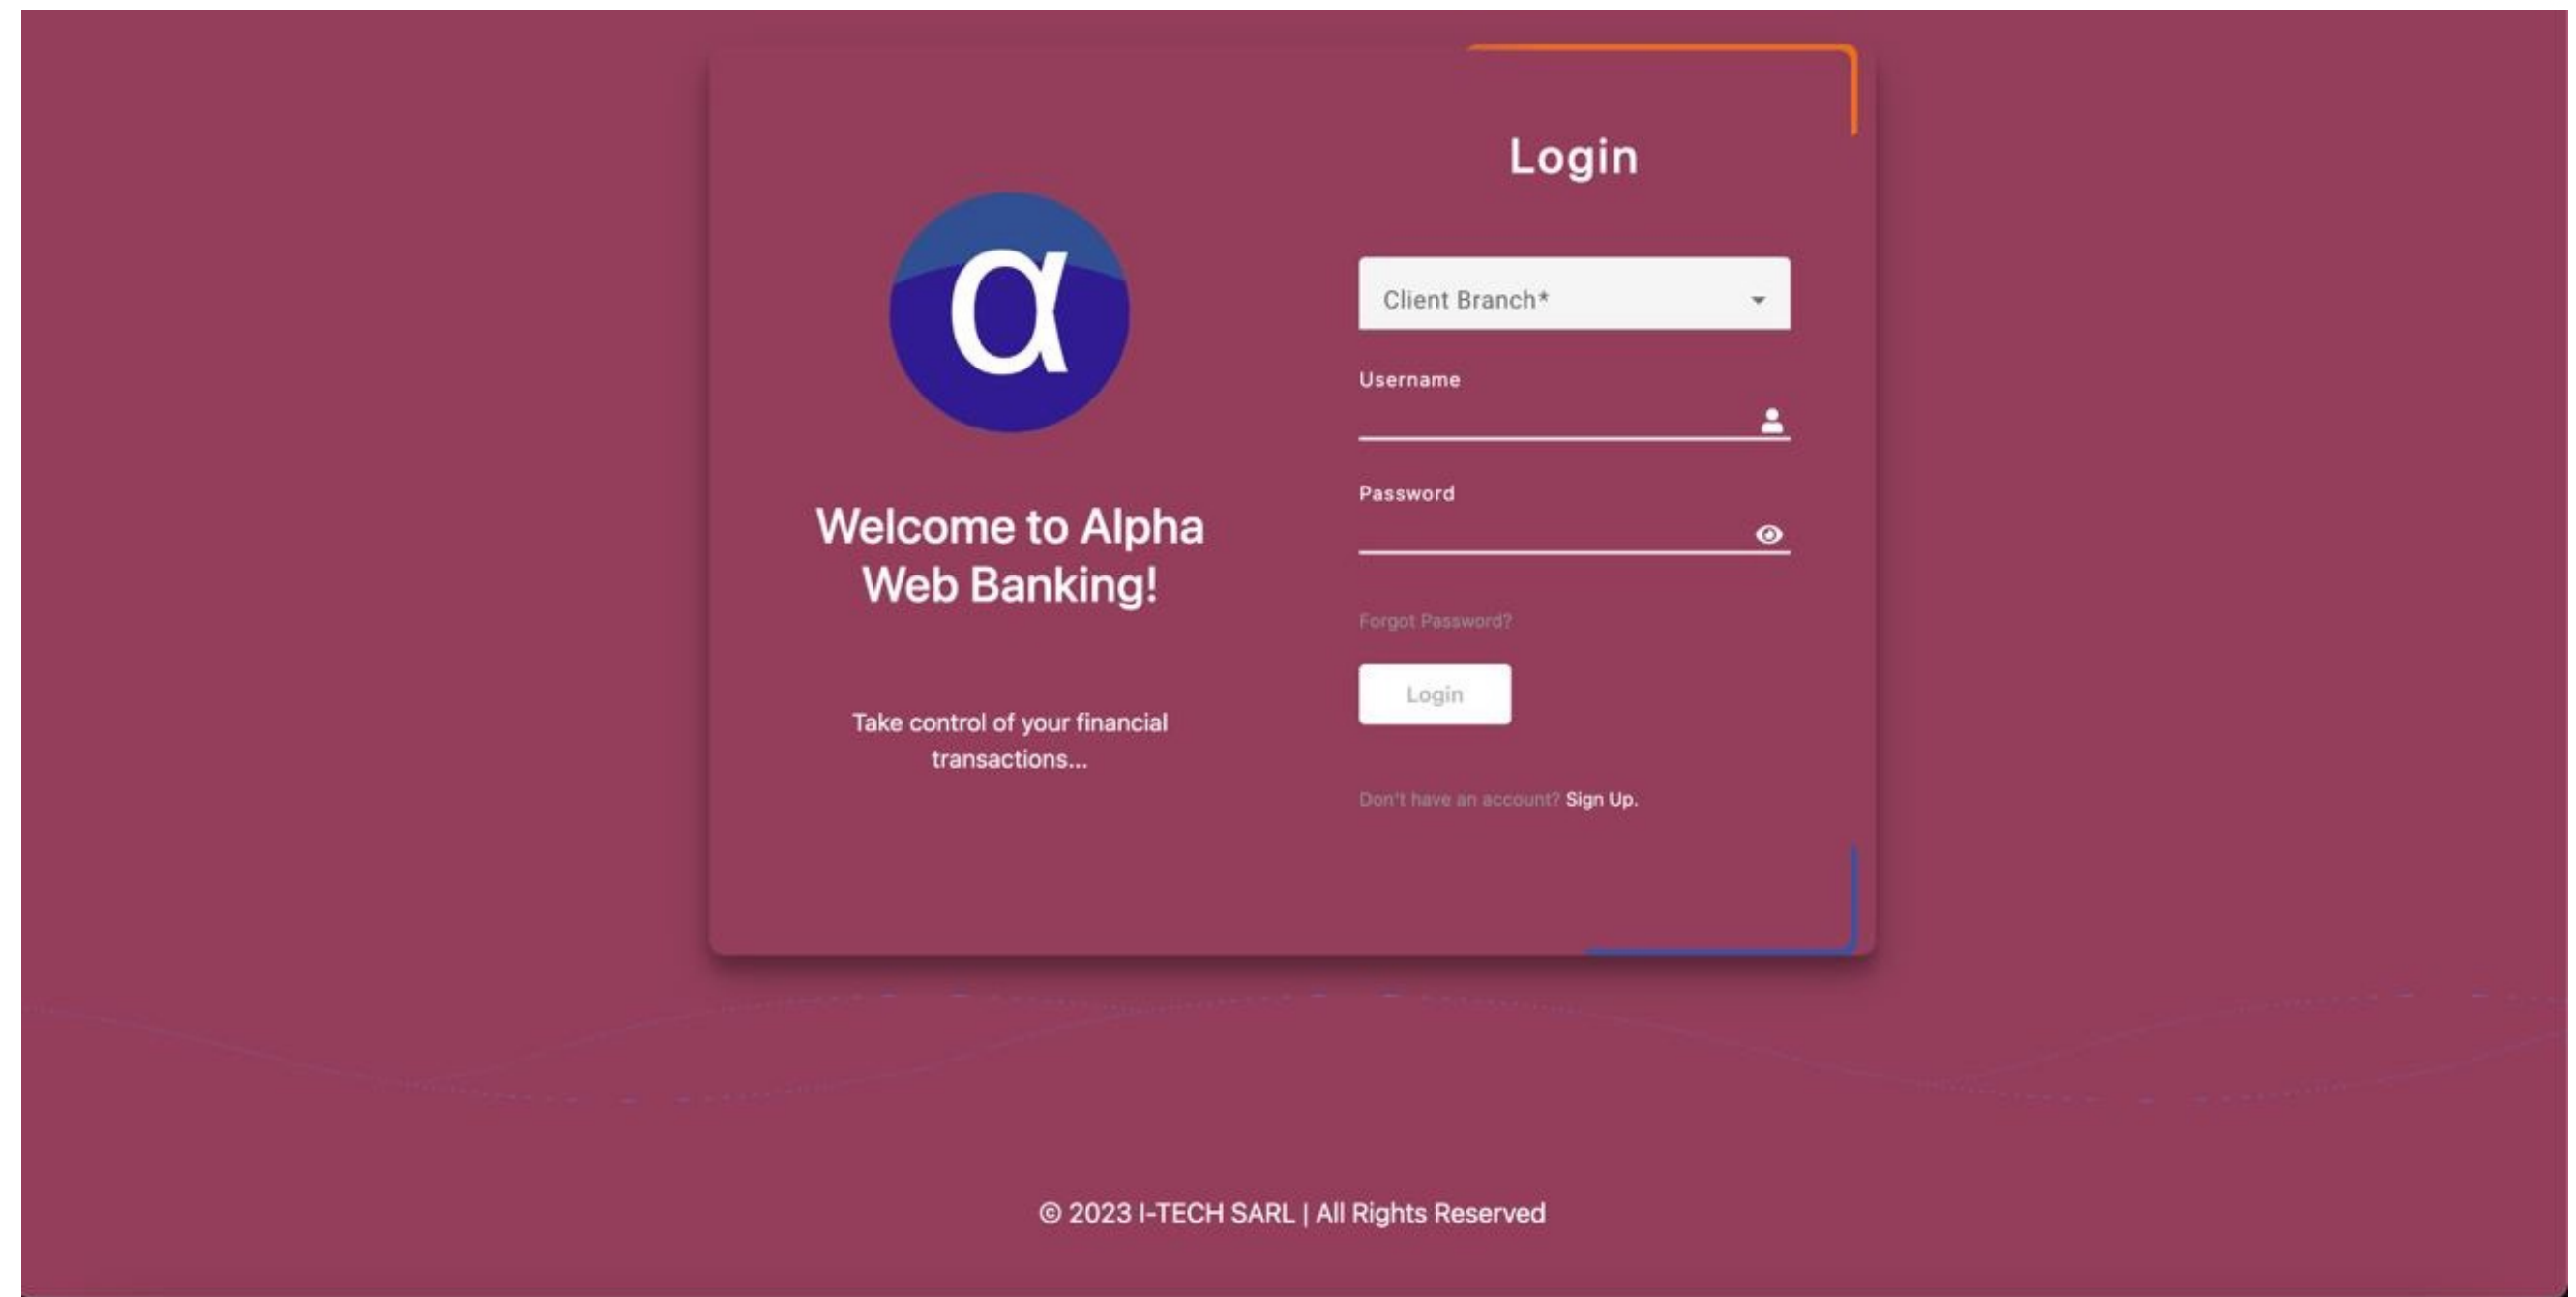

Project overview

Application goals

-
- Enable every microfinance customer to create an account and log on remotely
 - Enable users to access all their accounts, as well as the latest transactions carried out on each of them.
 - Enable users to carry out operations such as account-to-account transfers, transfer orders, deposits and withdrawals from each of their accounts.
 - Enable users to apply for loans and checkbooks from home

In order to get access to the application, the user need to authenticate using his branch, his client number and his password.

The image shows a login form for Alpha Web Banking. The form is set against a dark blue background with a white border. On the left side of the form, there is a logo consisting of a white Greek letter alpha (α) inside a blue circle. Below the logo, the text reads "Welcome to Alpha Web Banking!" and "Take control of your financial transactions...". On the right side, the form is titled "Login" and contains the following fields: a dropdown menu for "Client Branch*", a text input for "Username" with a user icon, a text input for "Password" with a visibility toggle icon, a link for "Forgot Password?", a "Login" button, and a link for "Don't have an account? Sign Up.". At the bottom of the form, the copyright notice "© 2023 I-TECH SARL | All Rights Reserved" is displayed.

Here the user can see the list of every loan he made and their different details.

The screenshot shows a web application interface with a dark red sidebar on the left containing navigation icons (home, messages, mobile, bank, user, settings) and a logo. The main content area has a search bar at the top right and a table titled 'Loan Situation'. The table has four columns: Reference, Date, Amount, and Status. It lists three loan entries, each with a reference of 000001, a date of Oct 31, 2023, and an amount of 800000 FCFA. The statuses are APPROVED (green), PENDING (yellow), and REJECTED (red).

Reference	Date	Amount	Status
000001	Oct 31, 2023	800000 FCFA	APPROVED
000001	Oct 31, 2023	800000 FCFA	PENDING
000001	Oct 31, 2023	800000 FCFA	REJECTED

When a user needs to request for a checkbook, he can come to this page and fill the related formular. He can also see the list of his previous requests.

The screenshot shows a web application interface with a dark red sidebar on the left containing navigation icons: a search icon, a home icon, a chat icon, a mobile device icon, a bank icon, a user profile icon, and a settings icon. The top header features a search bar with the text 'Search...', a US flag icon, a notification bell icon, and a user profile icon. The main content area is divided into two columns. The left column, titled 'Check Book Request', contains a form with the following fields: 'Account Name' (with placeholder text 'Enter your account name her'), 'Client Number' (with placeholder text 'Enter your client number her'), 'Account Number' (with placeholder text 'Enter your account number here'), 'Phone Number' (with placeholder text 'Enter your phone number her'), and 'Additional Notes' (with placeholder text 'Enter any additionnal notes here'). There are radio buttons for '25 Pages' and '50 Pages', and a 'Submit' button at the bottom. The right column, titled 'Check Book Situation', displays two rows of data. Each row shows the account number '37568900086888', the page count and date '25 Pages | 30 Oct 2023' (for the first row) and '50 Pages | 30 Oct 2023' (for the second row), and a yellow 'PENDING' status button.

While already in the app, a user can change his password with logging out by coming to this page and filling this form.

The screenshot displays a mobile application interface for updating a password. At the top, there is a search bar with the placeholder text "Search...". To the right of the search bar are three icons: a bell for notifications, a speech bubble for messages, and a profile icon. On the left side, a vertical navigation sidebar contains several icons: a blue circle with a white alpha symbol, a home icon, a chat icon, a mobile phone icon, a building icon, a person icon, and a gear icon for settings. The main content area is titled "Update Password" and contains a light pink form. The form has three input fields labeled "Old Password", "New Password", and "Confirm Password", each with a toggle icon to its right. Below the input fields is a rounded rectangular button labeled "Update".

**Thank you for
your attention!**
